

Thomas J. Frase CSSBB Lean Six Sigma Leader – Ingersoll Rand

Thomas Frase is currently a Lean Six Sigma Leader with Ingersoll Rand in St. Louis, Missouri. In this capacity, Thomas supports the Service & Contracting Team, reducing defects, non-value added activities, variation and/or waste. In addition, Thomas is a Lean Six Sigma ambassador for Ingersoll Rand, active in the training and mentoring of Green Belts and Black Belts, facilitating meetings, and leading and supporting manufacturing and transactional projects.

Thomas has been a member of the American Society for Quality (ASQ) since 2004, getting his certifications as a Six Sigma Black Belt (CSSBB) and Certified Quality Improvement Associate (CQIA) in 2004. Thomas has also supported the St. Louis ASQ section as an instructor for the Certified Six Sigma Black Belt refresher class.
